To whom it may concern,

As an offer to compromise and put this behind everyone, Harris Family Limited Partnership and Barber Valley Development, Inc. would be willing to reduce the mill rate 10% a year for five years beginning in 2025. This would be conditioned on outstanding bonds being funded and lawsuits being dismissed with prejudice (on both sides). It would also require agreement by the HRCID Board. Please provide a response in writing by July 18, 2023.
